OR TAMBO INTERNATIONAL AIRPORT

Johannesburg OR Tambo International Airport is the busiest airport on the continent of Africa and is situated in the Kempton Park district of Johannesburg, 23 km north-west of the city centre and 46 km south of Pretoria city centre.

Formerly, Jan Smuts Airport, it has been renamed in honour of the late and former ANC President, Oliver Reginald Tambo, who was more commonly referred to by the name of OR Tambo. Johannesburg OR Tambo International Airport is one of the few airports in the world with scheduled passenger direct flights between all 6 inhabited continents and also serves as a continental gateway to many sub-Saharan countries.

LANSERIA AIRPORT

Passengers can make use of our world class facilities day and night. With flights from commercial airlines and charter companies operating every day, 24/7.

The newly expanded terminal building offers domestic, regional, and international flight departures and arrivals. Destinations from the commercial airlines currently include both Durban and Cape Town, with more to come soon. The new runway has paved the way for larger aircraft to comfortably land here.
